

SCHOOL TRANSPORT

Dear Parent,

o/c

Our School has always been an ardent advocate of transporting the children with a mission of zero tolerance on account of safety and security during travel. Recent unfortunate instances during transit of students to and fro to the school in some schools have agitated deep concern of Government Authorities like Department of Education, State Transport Authority, Delhi Traffic Police and CBSE to re-issue the guidelines to schools regarding the safety of school children using school transport. To have the provision of one well-trained lady attendant/lady guard besides the driver and a licenced conductor in each school bus is now made compulsory. Installing G.P.S. and CCTV Camera in each school bus is also made mandatory.

Sensing the gravity of the issue and to take proactive remedial measures to ensure that safe transport for our school children becomes one of the paramount safety objectives we started search for Next Level Transport Security System with features which go beyond the limits of existing transport system which revolves around multiple vendors and operators.

We have short-listed a company which has agreed upon to provide to our school 360° Transport Tracking System to help facilitate the dissemination of information (bus tracking, alerts, notifications, etc.) using its application and technology integrated with Transport Services firm and one of the renowned brand of Delhi-NCR i.e. Shuttl which is known for its quality and unmatched service level experience and having at its credit the deployment of 400 vehicles per day.

Transport fleet of our school, if outsourced with this company will have the below mentioned features:

1. Complete Transport Management will be taken-care by the Shuttl representatives who will be monitoring smooth hassle-free operation of the daily transport activity.
2. All the buses running on CNG Fuel will be enabled by a smart technology where the parents of the students through a Mobile Application can get live tracking of their wards while travelling by school bus. It will provide running status of the bus, alerts and notifications when the child boards/de-boards the bus, and prior alert before reaching the stop.

P.T.O.

ACKNOWLEDGEMENT/CONSENT RECEIPT

I Father/Mother/Guardian of
studying in class/section and travelling by school bus no.
in the morning trip do hereby submit my consent for the aforesaid proposal and agree
to pay the enhanced bus-fee.

Signature..... Date

Residential Address

.....

Registered Mobile No. for SMS

3. These buses will be checked and verified through various fitness guidelines of the company as well as that of Delhi Government, DOE, CBSE, State Transport Authority, etc.
4. Every Bus will have driver, licensed conductor and a lady attendant throughout the trip who will have their verifications done by Delhi Police and Shuttli.
5. The bus fleet will be non-AC irrespective of the size of the bus (43 Seater, 20 Seater or 7 Seater) according to area of operation, as all the areas may not be accessible by big buses
6. Buses will also be having HD CCTV cameras which will be directly monitored from a Control room/help desk stationed at school premises.
7. Buses will be having seats reserved for every child, so as to make sure that no one travels standing.

Adherence of all rules and regulations alongwith mandatory norms will cost almost 50% Bus-Fee hike over and above the existing rates if we decide to outsource our transport fleet to the aforesaid single operator.

Keeping in view the mandatory norms of G.P.S., C.C.T.V., lady attendant etc. issued by the concerned Government Authorities to ensure the safety and security of children using school transport we are compelled to engage some operator complying with all norms besides providing the feature of tracking system to help facilitate the dissemination of information (bus tracking alerts, notifications, etc.) to parents and school.

We sincerely believe you to appreciate the efforts made by the school in this regard and seek your whole-hearted co-operation by acknowledging the aforesaid proposal. Kindly accord your necessary consent by filling in the enclosed Acknowledgement/ Consent Receipt and send it by return post/ in person to the school on or before Monday, 22.05.2017 by 01:00 p.m. sharp. **Please note that non-receipt of the Acknowledgment/Consent Receipt would be treated as you have consented for the same.**
