LA SANTÉ @ 75 Azadi ka Amrut Mahotsav

Greetings!!

"Health is the vital principle of bliss, and peaceful existence of humanity..."
Regular exercise, physical activities, sports and games potentially lend a boost to the cognitive, physical, social and emotional development of children. With the Online Interschool Sporting event 'La Sante' @75 Azadi Ka Amrut Mahotsav, we have endeavoured to reinvigorate a spirit for sports and physical activities among the young and impressionable minds of Classes I to VIII. In keeping with the Vision of NEP 2020 and Sustainable Development Goals (SDGs) given by the United Nations, we strive to inculcate in them an attitude of lifelong fitness and make sports as a tool to reach personal, community, national and international development objectives. It is extremely gratifying to witness unabated enthusiasm of children for the online physical activities. We extend our gratitude to all the participant schools for their inspiring involvement. We shall continue to seek partnerships for sporting events aimed at nurturing high levels of productivity, competence and confidence in our children.

Keep the hope alive!

Regards
