Confluence d' Arts

Greetings!!

“Children are the best creation of God. They are endowed with abundance of warmth, joy and creativity.”

Our children possess limitless potential to embrace newer opportunities of growth and progress in all positivity and pride. In the wake of technological expansion, we have utilized the virtual platform to create for our children an ecosystem of creative exploration blended with true joy through the realm of ‘Confluence d’ Arts’. We appreciate the participants’ undying passion and enthusiasm for various activities and events. I can say with conviction that they must have emerged vibrantly confident realizing their artistic talents. We are highly grateful to all the participating schools from across India and abroad for making this virtual event a grand success.

Heartiest congratulations to the winners as well as the participants!!
