

e-Raksha Competition 2021

With an aim to spread awareness amongst children and young adults on the need to be safe, smart and resilient in the cyber world, an e- Raksha Competition was organised by CIET-NCERT in collaboration with Cyber Peace Foundation. The theme of the competition was: **'My Idea of a Safe and Peaceful Cyber Space'**. The Jindalites participated enthusiastically and shared their original ideas, suggestions and safety precautions in the form of a poster, painting, video, essay, blog and different prototypes of software application, aligning with the theme of the competition.

The following students received appreciation for showcasing their creative potentials zealously -:

TANUSH GULATI -VIII D

KARTIK BALODI –VIII B

SOUMYA GARG - VIII Ç

RAGHAV GERA - XI A

HARSHITA KHANIJO-XI B

KANIKA MAITTAL - XI D

JANVI GIROTRA – XI F

The competition was successful in providing a creative outlet to young children who are currently confined at home due to Covid-19 pandemic. They learnt how to reflect and be safe and responsible on the Internet. It instilled in them digital citizenship and online safety skills. It provided an opportunity to them to be involved constructively and to voice their ideas and suggestions.

Meaning of the Word **CYBER**

- It is a combining form relating to information technology, the Internet, and virtual reality.
