

N.C.JINDAL PUBLIC SCHOOL

PRIMARY SCHOOL (2021-22)

REPORT ON NATIONAL PAPER BAG DAY

Paper Bag Day is celebrated on 12 July annually to make people aware of the pollution caused due to plastic and the serious threat that it poses to the natural environment. Plastic waste takes thousands of years to decompose. Therefore, it is important to understand the ill effects of single-use plastic bags.

To sensitize our young Jindalites towards the usage of Paper over Plastic, an activity of 'Paper Bag Making' was conducted on 12.7.2021 for ROTA KIDS CLUB. All the sixteen Rota kids of Class V participated in it and made beautiful and creative paper bags. Four Rota kids- Rama Chawla (V-D), Jayant Chawda(V-C), Perna Chawla(V-A) and Raaghav Chawla(V-A) presented a video showcasing the advantages of using paper bag and urged everyone for using paper bag over plastic by taking a pledge at the end. This activity taught them one of the ways to curb environmental pollution.
