

N C JINDAL PUBLIC SCHOOL (PRIMARY SCHOOL)

ECO CLUB (GREEN WAVES)

Session: 2021-22

Report on Tree Plantation: Step To Save Nature

Plant a tree and plant a hope for future.

To inculcate in the students love and care towards trees, a **Tree Plantation** activity was conducted for classes 3rd to 5th by Eco-Club students virtually on 9th July, 2021. The students planted saplings of Champa, Neem, Tulsi, Rose, Ashoka etc. in their earthen pots.

All the students participated in the activity very enthusiastically. This activity brought them closer to the environment. The students were inspired to plant more and more trees and were encouraged to take necessary steps in order to conserve environment and become more environment-friendly.
