The glorious pages of Indian history are incomplete without the mention of the brave freedom fighters. In order to shed more light on their valiant contribution for the struggle for Indian freedom, the school organized various sessions where the students and teachers came together to discuss the important support of freedom fighters from various parts of India. With the special focus on the unsung heroes such as Dukari Bala Devi, Satish Chandra, Nanibala Devi, SatyendraNath Basu, the discussions helped to realize the different shades of the spectrum of Indian history.
