

POST CARD CAMPAIGN

The Department of Post in collaboration with Department of School Education and Literacy, Govt of India, organized a **Post Card Campaign** to celebrate 'Azadi Ka Amrut Mahotsav'. The students got the privilege to participate in the same during the month of December, 2021. The students of Classes IV to XII participated enthusiastically to write post cards to the Prime Minister of India on the topics- "**Unsung Heroes of Freedom Struggle**" and "**My Vision for India in 2047**". Under the able guidance of teachers, students expressed their views about the freedom fighters like Tatya Tope, Matangini Hazra, Khudiram Bose and many more whose valuable role during the freedom struggle of India is undeniable but their valuable contributions have been ignored in the pages of history.

While writing their vision for India 2047, many students expressed their optimism and came up with futuristic ideas to bring India to the top of the world. Their belief in a bright and sustainable future for India is truly admirable. The event helped students uncover the long lost stories of bravery and patriotism. It provided an immensely valuable learning platform to the students.
