RECYCLING HAPPINESS CAMPAIGN

Every child, no matter who they are or where they come from, deserves access to education.

The unprecedented times have been extremely challenging especially for school children. Struggling for the basic essentials, a huge digital divide has already been created to the point that now when schools are reopening, it is getting difficult for the children to get to the normalcy of coming to school and enabling themselves for a brighter future.

To bridge this digital divide and bring education at par for each child as their right, Goonj - a Not for Profit Organisation started its annual campaign "Khushiyo ka Recycle- Recycling Happiness" to contribute towards school essentials.

N.C.Jindal Public School, Punjabi Bagh contributed for the campaign under the aegis of Interact Club towards bringing a smile to many and will help in reviving their education. A total of 24 cartons were dispatched to Goonj containing all essentials like stationery, notebooks, storybooks, school shoes, bags, sports items, board games etc.

The students served with great fervor acknowledging the need for creating an everlasting positivity as they embraced that each one is important and together we need to move ahead towards a sustainable future.
