Inter House Instrumental Music Competition- 'Rubato'

A Report

An Inter House Competition 'Rubato' was held on July, 15 2022, with an aim to promote the highest levels of human aspiration and artistic integrity through the composition, documentation, and performance of music. It was held under two categories – Junior (VI - VIII) and Senior (IX-XI).

The students were required to play a patriotic song on their favourite musical instrument. One student from each house in Junior and Senior category each participated with great enthusiasm and showcased a spirit of competition to bring laurels for their respective House. The judgement for the competition was made on the basis of Swar, Taal and Overall Presentation. The students were able to refine their skills and kindle their patriotic spirit.

The competition developed among children an analytical, creative, and intuitive understanding of music as a cultural language. It helped students in identifying and performing various rhythmic patterns of increasing complexity. It also helped in demonstrating a functional knowledge of music grammar and formal structures.

The students garnered a lot of appreciation from everyone.
