Sub. : Awareness in respect of Ban on Sharp Manja in GNCT of Delhi – reg.

Sir,

01/01/25

It is to inform you that kite flying is popular sport and it catches pace weeks before, during and after the Makar Sakranti, Republic Day and Basant Panchami celebrations falling on 14.01.2025, 26.01.2025 and 02.02.2025 respectively.

However, kite flying by using thread made out of plastic, nylon or similar such synthetic material including popularly known "Chinese thread/ manja" or any other thread coated with glass/ metallic components causes a lot of injury to human beings and birds which many a times turns out to be fatal. Such deaths and incidents have been seen in the news also during the last few years. Apart from this, such kite flying threads being non-biodegradable also cause harm to the environment.
