Cyber Safety Policy for School Students

1. Use the internet only for learning and educational purposes.
2. Keep your passwords private and use strong, unique passwords.
3. Never share personal information such as your address, phone number, passwords, OTPs, or bank details online.
4. Be kind and respectful in all online communication. Cyberbullying is strictly prohibited.
5. Do not open suspicious links, emails, or attachments from unknown sources.
6. Use only approved websites, apps, and software for school work.
7. Respect copyright laws. Do not copy or use others' work without permission.
8. Report any inappropriate content, online threats, or cyberbullying to your teacher or parents immediately.
9. Do not download or install unauthorized software on school devices.
10. Use school computers and the internet responsibly. Any misuse may lead to disciplinary action.
11. Log out of accounts after using shared or school computers.
12. Keep devices updated with the latest security patches and antivirus software.
13. Avoid meeting online strangers or accepting friend requests from unknown people.
14. Verify information before sharing it to avoid spreading fake news.
15. Think carefully before posting photos or comments—they can remain online permanently.
16. Enable two-factor authentication wherever possible.
17. Never share OTPs or verification codes with anyone.
18. Avoid using public Wi-Fi for sensitive activities without protection.
19. Always ask permission before taking or posting someone else's photo.
20. Use age-appropriate websites and apps recommended by parents or teachers.
21. Back up important school work regularly.

22. Do not attempt to hack, bypass security, or access others' accounts.

23. Report lost or stolen devices immediately.

24. Respect others' privacy and digital rights.
